PTY - Professional Technology Year Program

GC - Ontario Graduate Certificate

*Provincial privacy legislation prevents publication of graduate data for programs with fewer than 5 graduates or graduates available for employment.

**Due to confidentiality concerns, salary statistics are provided for programs that have at least 5 full-time related salaries

Notes:

Part-time Program Related - the number of graduates working less than 30 hours a week in a job related to their programs of study.

Full-time Program Unrelated - the number of graduates working 30 or more hours a week in a job not related to their programs of study.

Part-time Program Unrelated - the number of graduates working less than 30 hours a week in a job not related to their programs of study.

Percentage Working Related - the percentage of graduates available for employment working in full-time or part-time jobs related to their programs of study.

Percentage Working - the percentage of graduates available for employment working in any full-time or part-time job.

Minimum salary - the lowest salary reported for graduates in Full-time Program Related jobs. Excludes values under \$10,300.

Maximum salary - the highest salary reported for graduates in Full-time Program Related jobs. Excludes values over \$200,000.

Average Salary - the average salary reported for graduates in Full-time Program Related jobs. Excludes values under \$10,300 and values over \$200,000.

Number of salaries Reported - the number of salaries reported for graduates in Full-time Program Related jobs
